English Language Requirements

Below are the English Language entry requirements for the DCU International Foundation Year.

Note that normally where a test gives a grade for each skill we would expect each skill to be no more than half an IELTS point below the overall entry requirement. For example, for students entering IFY we ask for an overall IELTS 5.0, we would also expect all skill grades to be IELTS 4.5 or above.

Students must be able to show the required English language ability prior to entry. As part of the application process students must present a form of English language certification as well as their academic qualifications.

DCU is an official [IELTS Exam Centre](#) which holds regular IELTS test dates for both IELTS Academic and IELTS General Training. Our test centre is located on the DCU Glasnevin campus in Dublin, Ireland.

Requirements for progression from the International Foundation Programme to DCU Undergraduate Programmes

To progress to their chosen undergraduate programme, Foundation students must generally achieve a “B” in their English language studies and a combination of grades from the three other subjects in their chosen academic stream (Humanities, Business or Engineering).
